

INTERNATIONAL PROGRAM

Politeknik Negeri Malang (Polinema) aspires to be an outstanding vocational higher education institution with a global reputation. To widen the opportunity for internationalization, Polinema launches International Program in some departments: Information Technology Electrical Engineering, Civil Engineering, Accounting, Business Administration and Mechanical Department. These Departments offer Diploma 4 of International Program or Bachelor degree. The study will take four years for theory and practice.

The Uniqueness of IP Polinema

IP Polinema aims at catering the needs of local students to be internationally acknowledged and giving an opportunity for foreign students to study at Polinema.

The Uniqueness of IP Polinema

1. It uses English as teaching and learning medium of instruction
2. The curriculum resembles the regular program; however, the final project is written and examined in English
3. The students of IP Polinema are those selected from high academic achievers and have passed the English requirements, and interview
4. The students are required to participate in Overseas Academic Program (OAP)
5. It builds international academic exposure environment

Departments and Study Programs

1. Department of Information Technology, D4 Informatics Engineering
2. Department of Electrical Engineering, D4 Electrical Engineering
3. Department of Electrical Engineering, D4 Digital Telecommunication Network
4. Department of Civil Engineering, D4 Construction Engineering Management
5. Department of Accounting, D4 Management Accounting
6. Department of Business Administration, D4 Marketing Management

Types of Students in International Program

Full Scholarship Students

These students receive full-funded scholarship from Polinema comprising tuition fee for eight semesters and living allowance of IDR 2,400,000 per month for eight semesters

Partially Funded Students

These students receive free tuition fee for eight semesters, but without living allowance

Private students

These students receive no financial support from Polinema. Therefore they need to pay the tuition fee and the allowance on their own

The result of IP Admission Test will determine the types of students in the International Program
